

**KUTAFIN MOSCOW STATE
LAW UNIVERSITY (MSAL)**

WELCOME!

ABOUT UNIVERSITY

Moscow State Law University named after O.E. Kutafin (Moscow State Law Academy) educates 13,000 students, over 400 postgraduate students and applicants, more than 500 foreign citizens from 40 countries.

The educational process at the University is provided by 14 institutes, 31 departments.

The University has over 890 academic teaching staff, including one corresponding member of the Russian Academy of Sciences, more than 180 doctors and 520 candidates of sciences, 30 honored lawyers of the Russian Federation.

EDUCATION

The University carries out training in general education programs of bachelor's, specialist's, master's degrees, training of highly qualified personnel in postgraduate studies in the "Jurisprudence" field of study, as well as an additional general educational program "Russian as a foreign language" in the framework of the preparatory department and short-term courses.

The cost of training for bachelor's programs is 375,000 rubles per year. Full-time study period is 4 years.

The cost of the additional program "Russian as a foreign language" is determined depending on the number of academic hours and students in the group.

In 2021 the University announced admission of foreign citizens for 22 master's programs, some of them:

- “Legal regulation of Blockchain Technology” jointly with RUDN University
- «Master of international Business Law» – in English.

Cost – **396 000 rubles per year.**

Term of education – **2 years.**

Double degree programs jointly with the Swiss Academy of Law:

- “International Sports Law”;
- “Master in Intellectual Property”;
- “Master in International Financial Law”.

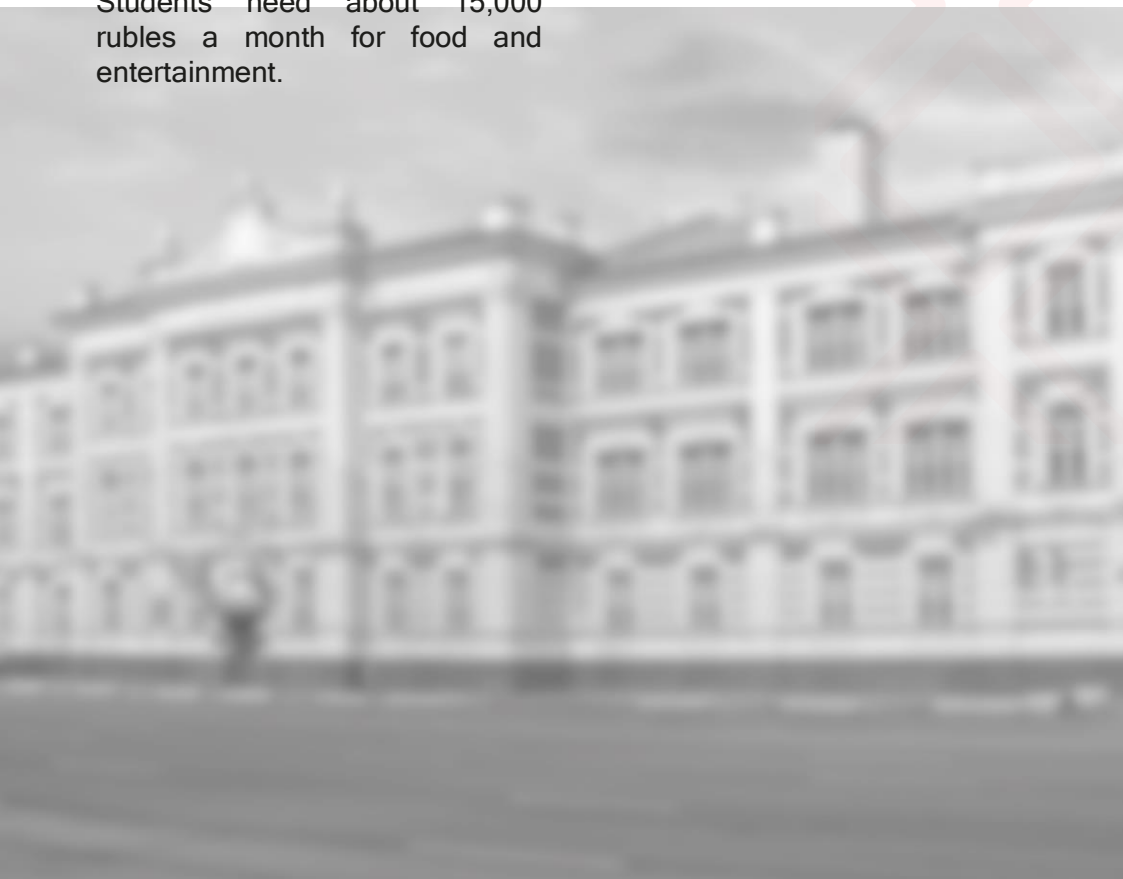

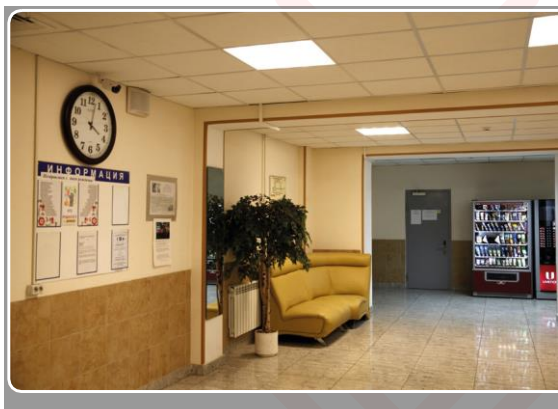

DORMITORY

The University dormitory is located in the center of Moscow, near the Leninsky Prospekt metro station. Accommodation for 2 people in a room. The safety of residents is guaranteed by round-the-clock security and access system.

Dormitory fee is 500 rubles per month.

Grocery stores, pharmacies and malls are within walking distance. Students need about 15,000 rubles a month for food and entertainment.

LIBRARY

The University Library is one of the largest law libraries in Russia. It houses find ancient law monuments, pre-revolutionary codes, works of the classics of jurisprudence, modern Russian and foreign scientific literature, the latest textbooks and teaching aids.

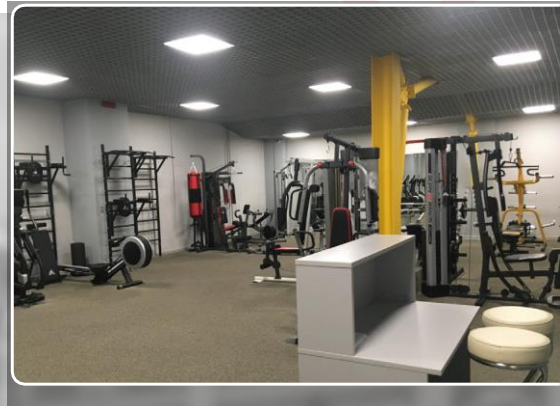

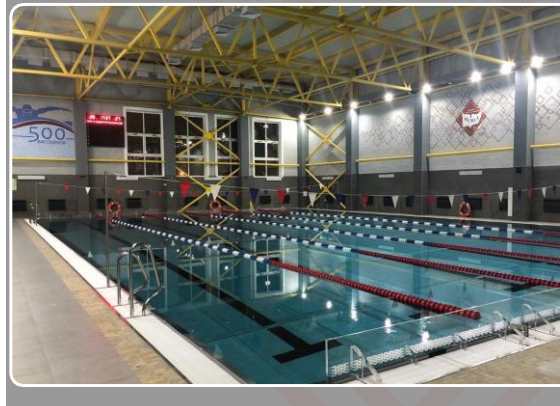

Today, the library's reading rooms include more than 170 seats for readers, 90 of them are computerized.

SPORT

A health and fitness complex with a swimming pool, a gym and group fitness programs has been built in the University.

After arriving in Moscow, foreign students draw up a health insurance policy. The cost is 8,000 rubles for 1 year.

A 24-hour hotline is available for admission
